

The diagram is a comprehensive campus map of National Sun Yat-sen University. It features a grid-like layout of buildings, each labeled with its name and floor count. Key areas include:

- Academic Buildings:** First Building (第一棟), Second Building (第二棟), Third Building (第三棟), and various specialized buildings like the Library (圖書館), Art Center (藝術中心), and Sports Center (體育館).
- Recreational Facilities:** A large central courtyard (運動場) and a smaller courtyard (網球場) are shown.
- Administrative and Support Buildings:** Buildings for the Office of the President (校長室), Vice President (副校長室), and other administrative functions.
- Transportation and Parking:** A large parking area (停車場) is located near the main entrance.
- Landmarks:** The National Sun Yat-sen University (國立中山大學) is marked with a large 'S' logo.

The map uses a color-coded system to identify different types of buildings and facilities. A legend in the top right corner provides a key for these colors. The map also includes a scale bar and a north arrow.
